

GRANDMA SEZ-

"I think sometimes that instead of givin' a day old baby a long high soundin' name, that we ought to wait till the poor child is old enough to find out whether it's goin' tew fit him or not."

"Yer gran'pa sez that he ain't goin' tew take any tickets fer the lecture course next winter. He sez that he's a married man, an, one series of lectures is enough."

GRANDMA SEZ—

"IF THE END OF THE WORLD
WUZ TEW COME TOMORROW,
SOME WIMMIN WOULD THINK
THET THEY HED TEW BREAK
THEIR NECKS GITTIN' THE
HOUSE ALL CLEANED FER IT"

GRANDMA SEZ-

"THE ONLY TIME THET A LITTLE
KNOWLEDGE IS A DANGEROUS
THING IS WHEN THE MAN THET
HAS IT THINKS THET IT'S
ENOUGH"
